

Marriage Enrichment Forum

Regardless of the number of years that you have been married, you will agree with me that marriage is the most delicate undertaking in this world; and for it to survive, it requires consistent nourishment, unabashed attention, constant compromise, daily renewal of our marital vows, and regular **MARRIAGE ENRICHMENT FORUMS!**

This is why we formed the Marriage Enrichment Forum to energize marriages like yours, and for engaged couples to have a closer look at what it takes to remain married forever!

While it is advisable for both partners to attend, you may attend alone if inconvenient for your spouse, so that you may still gather some knowledge and encouragement to energize your relationship.
